

Star of the Week

Our class will be doing the "Star of the Week" program. This program will help to enhance a positive self-esteem in each and every individual in our class. It will also help us to understand the uniqueness of each child and see why everyone is so special. For one week, beginning on Monday and ending on Friday, the Star of the Week will have a personal display in our room for everyone to enjoy and admire. This special honor will make your child feel important and valuable to all of us.

The Display

Starting on Monday, the Star will put his/her display up on the designated bulletin board/shelf. The display should reflect the child with items that are important to him/her. Some suggestions are photographs, certificates, awards, hobbies, favorite items, art work, etc. Be as creative as you'd like. Please encourage your child to make the selections. Please do not send items that are fragile or valuable. Photographs may be protected by putting them in individual resealable bags. This will prevent fingerprints or damage. The Star will add to his/her display or host an activity as stated in the schedule. Presentation boards are difficult to put up on the bulletin board. Attached is a list of the daily activities. The display will be taken down on Friday. Look for the attached schedule. We look forward to honoring our Star of the Week!

Sincerely,
Mrs. Lori Kuwahara
